NARRATIVE

06/30/2018, at about 2315 hours, I drove into the 36th Street Haggen's Grocery Store parking lot, when I observed a maroon Honda Accord (WA/BJJ8328) pass me a prepare to turn onto Bill McDonald Parkway.

I ran a random registration check on the vehicle. I saw that the registered owner only had an ID, and no driver's license. I saw the vehicle had turned onto Bill McDonald Parkway. I attempted to catch up to the vehicle. In so doing, I did not have time to look at the name of the registered owner on my screen.

I stopped the vehicle at the intersection of Consolidation Ave. and Samish Way. I met with the driver, later identified as (A1) Tyler J. BYLSMA, who almost immediately, voluntarily told me he was going to be honest that he did not have a license. I explained I was stopping the vehicle because the registered owner did not have a license. The male said the female passenger, (C1) Cassandra CHAPANAR, was the registered owner, but said neither of them had been able to get a driver's license. A male who appeared to be in his 60s, was sitting in the rear, passenger side seat. I detected the odor of intoxicants coming from the car. Officer Ingermann advised the male passenger had a baggy of weed next to him.

I ran (A1) BYLSMA through dispatch and he returned with no computer record and no state identification. I returned and questioned (A1) BYLSMA about his identity. (A1) BYLSMA said his parents

had lost his social security card, so he was unable to obtain a license. (A1) BYLSMA said he had been through the foster care system, which had compounded the problem.

(A1) BYLSMA agreed to take the voluntary field sobriety tests. (A1) BYLSMA performed the tests. I did not detect an odor of intoxicants coming from his person. He also submitted to a voluntary preliminary breath test, which resulted in .000 .

I thanked (A1) BYLSMA for his cooperation. I advised him he was under arrest for not having a valid license without identification. I told him to return to the car while I completed a citation with a court date.

I completed SECTOR citation 8Z0266605 for RCW 46320.005 - No Valid Operator License without Identification.

I gave (A1) BYLSMA the citation and explained his obligations. (A1) BYLSMA said he understood. I had (A1) BYLSMA move the vehicle to the nearby gas station parking lot and explained neither he nor (C1) CHAPANAR could drive without a license. (A1) BYLSMA thanked me for being understanding.
